

2011 EVERETT SAUSAGE FEST PERFORMER APPLICATION

The Everett Sausage Fest is a family oriented festival in its 35th year. Over 20 food vendors and 50 arts and crafts booths help attract over 25,000 people to the event. The Bavarian Beer Garden and Family stages feature live entertainment from noon until midnight on Friday and Saturday and until 7:00pm on Sunday.

Our event is promoted via radio, television, newspapers, posters, and programs; therefore, exposure of your act is greater at the Everett Sausage Fest than most local festivals.

A sound and lighting system with operators is provided on both stages.

Sound volume levels will be monitored and controlled by the Everett Sausage Fest. Because this is a family event and all stages are within earshot of families, no R or X rated language will be allowed. If your act cannot abide by this arrangement then you do not need to apply.

If you would like your promo pack returned to you, please enclose a self-addressed, stamped envelope.

Should your act be selected to perform, we will need 4 black and white glossy pictures along with a 6-word description of your act.

Thank you for your time!!
